AGREEMENT FOR FUTURE EMPLOYMENT IN SPECIAL EDUCATION

The following agreement is between _____ (indicate school District in South Carolina) and _____, CREATE participant, whose current full-time employment with the District is _____ (specify employment position). Upon completion of special education certification in _____ (indicate ED-emotional disabilities, HI-Hearing Impairments; LD-learning disabilities, MD-mental disabilities, MC-multi-categorical special education, SEV-severe disabilities, or VI-Visual Impairment) through Project CREATE, the individual agrees to obtain a special education teaching position for the next contract school year. The District hereby commits to consider this Individual for employment as a special education teacher, and may offer this Individual a teaching contract in special education for the succeeding contract school year, contingent upon (a) previous satisfactory job performance, and (b) availability and need to fill a special education teaching position reflecting the Individual's area of special education certification, as the District deems appropriate at the time. If the District, for whatever reason, chooses not to offer a special education position to the Individual, the Individual will obtain a special education position in another South Carolina public school district. The Individual must remain employed as a special educator in a South Carolina public school for a minimum of three (3) years, or be subject to a reimbursement penalty (with interest) to the State Department of Education for all courses in which the Individual received CREATE scholarship funds.
